## FOR THE MONTH – The Xmas Period.

The Holidays are nearly upon us, some of us going away with our families and other remaining home to enjoy the peaceful quiet Joburg during this time.

Whether you are going away or remaining home please ensure that you test your alarm systems soon, before the last minute rush, and ensure that they are all working well.

Arm your alarms during this period, at night and when you are not at home. For those going away install timers on some of your light so that it looks as if someone is home over this time. Cancel newspaper deliveries and arrange that someone collects your post so your postbox is clear. Leave a spare set of your house keys with a neighbor or family member/friend, just in case emergency services or repair men need to gain access for any reason. Turn off your water mains and turn off your geysers if you going away for a period, this will prevent any damage due to burst pipes or geyser leaks.

Ensure your car is in good repair if you are travelling a fair distance. Check oil levels, water and ensure your tyres are inflated correctly and your tyre tread is good.

Have a safe and wonderful holiday and return safely to tackle 2016!

## Success Stories

**Moret** - A domestic heard a noise and saw 2 B/M's at their small gate. The domestic screamed and the neighbour came out. The suspects dropped the TV and fled, however they were caught and arrested by the police very close by. 2 suspects were arrested & 1 firearm recovered with jewellery & house keys. 😊

One of our cleaners in the Fontainbleau Park (Collen – pic on left) called us to inform us of a suspect hiding stolen property. The suspect was arrested by Oriel and Linden SAPS took the suspect and the stolen property to Linden SAPS.

**Ruiterhof** - 3 B/M broke into a home and were arrested by Linden Sector 3 vehicle.

The vehicles that were stolen: Fortuner and a Polo – these are vehicles which are top of the list!! They were left on verges. PLEASE, PLEASE, residents.... Especially now with the Christmas / Party season. If you are having a function, arrange to have someone watching them. There is nothing worse than ending a good day or night and your car is gone 😞.

### RPRCPA :

**ZERO INCIDENTS !!!!** 😊😊😊 Only a tree fell across the road outside a resident's house in Huilboom and CSS cut it up and took it off the road. 😊 (It seems that Huilboom has a problem with trees falling over.... as last month one also fell over and was removed by CSS) Thank you again David, Lawrence and your crew 😊

It is really good to be able to write only about trees falling down. Wow well done residents. It is a combined effort between the residents, the security companies and keeping informed.

### COMPLEXES:

All the complexes had a crime free month 😊. Nothing has been reported.
