

Community Support Services

FOR THE MONTH – January.

We have employed a new controller, Michelle, who will start by assisting in the control room daily during the week; this will help alleviate the pressure of alarm calls during the day.

Please ensure that we are informed of any changes to your banking details for the debit orders as well as keeping us updated on any changes to your e-mail addresses.

ALERT- We still have a house robbery gang active in Randparkridge and now Malanshof area. These 2 or 3 suspects enter properties normally from the greenbelt or Park. They attack homes where a perimeter door is left open or unlocked. The time of these attacks are between 20h30 and 03h00 in the morning. Please ensure that your perimeter door and security gates are locked at all times.

Please residents you need to be more vigilant.
