## FOR THE MONTH – Past Holiday Period.

Yip, the Holidays have come and gone much too quickly. I am sure you all enjoyed the break from work and the structured daily routine.

We unfortunately have three groups operating at the moment and started beginning December. We have a house robbery group in RRVA area, House breaking group in Welridge and a driveway robbery group in Malanshof. All these groups are still at large but we are building strong data against them.

Please remain alert to possible threats as crime may now increase with everyone returning home.

## Success Stories

Oriel is our Performer for 2015! In appreciation he was given a Microwave oven for his continuous great work and dedication throughout the year. 😊

Malanshof - 2 B/M's breached the main gate of a house in Mostert Street and went into the store room and took the lawnmower. The beams activated and they ran. The home owner called for assistance and chased them. CSS and Trojan chased the 1 suspect and caught him and arrested him. The Police were called to take the suspect away.

Malanshof - Oriel saw 2 B/M carrying a TV. He chased them and called for back up. The suspects ran and dropped the TV in the Park. On checking in the park we found a laptop and cables. Linden SAPS were called and they booked the items in.
