Success Stories

2 B/M were crawling around a property in Olienhout and the beam activated. The home owner showed the reaction officers the CCTV footage which enabled Andries to later on spot the 2 suspects walking on Randpark drive and he gave chase. 1 suspect was caught and the police arrested him for trespassing.

The incident of Housebreaking and theft we can attribute to the fast action of the neighbours who called us to advise that there were 2 suspects on the property. On arrival of CSS the garage door was found open and Isaac saw them carrying 2 guitars, 1 laptop with charger. He arrested both suspects and the Police were called to detain them for House Breaking.
