FOR THE MONTH – Entering the Shopping Period.

We are moving closer to the festive season and traditionally from now until the middle of December crime will increase.

Ensure that you remain alert and use the security equipment that you have in your home. Arm your alarm at all times you are out of the house and also during the night when you are asleep.

Be alert when exiting or entering your home as driveway robberies will also increase.

We have additional vehicles on the road from now until the after Xmas to show our visibility and warn the criminal elements of our presents.

Area specific incidents

HONEYDEW PRECINCT:

RANDPARKRIDGE RRVA:

3 House Breaking, 1 House Robbery, 1 Theft out of property, 1 Theft of Motor Vehicle, 1 Accident

Streets that were affected by crime in Randparkridge :

Swarthaak Str, Mimosa, Olienhout, Njala, Enkeldoring, Randparkdrive Residents, there are still people not arming their alarms at night when they are home ☹. We all know this is the start of the high crime due to it being 'shopping season' for the end of year SO PLEASE residents at least arm your perimeters in the evenings when you are home. Alarm activations will scare the suspects away.....

The vehicle that was stolen was stolen off a verge outside a home.

If you are not on your local residents What's App Group then let us know and we will forward your details to have you added (RRVA members only).

RPRCPA :

1 Theft out of motor vehicle

The Street that was affected by this crime was Huilboom.

Once again, the communication and networking between the residents and the security companies is really working and it shows from the information provided above ☺ So keep that going!!! Oh yes one other incident to report.....

A tree fell over in Huilboom on the 24th October and our reaction staff from Community Support Services (David and our new reaction officer – Andries) who were on duty cut it up and moved it onto the pavement.

Also remain vigilant always especially as we all know we are getting to silly shopping season again and the criminals are waiting for careless opportunities.

COMPLEXES:

All the complexes apart from Heather Complex who had the attempted break in as mentioned above have had a crime free month ☺. Nothing has been reported.

There was house in Madeliefie Str where Norman (our officer) stopped as the car boot was open and garage door at 20h15. All was fine. There was also a house in Platboom Str, where Norman found the main gate open at 20h35 and made contact with the resident who forgot to close ☹️...

SUCCESS STORY: The attempted Break In.... This was prevented by the fast reacting security guard who pressed his panic and Community Support Services were immediately on the scene and the suspects had fled as we arrived.

SONNEGLANS :

1 Attempted break in.

The attempted break in occurred at Louries Loft. The fence was cut on the greenbelt side but there was no entry to the complex.

There was an operation held in the greenbelt behind The Reeds and 3 sleeping areas were destroyed.

The Louries also reported on the 20/10/15 at 01h27 that there were 3 B/M's sitting on the Boom (Fontein Street), however these guys were from City Power repairing cable.

All quiet otherwise. (Please remember these are the stats up until the 31st October). Residents remember this is the time when normally crime increases as shopping season begins. Therefore please remain extra vigilant. Arm your alarms and when you are home arm your perimeters. Report suspicious activities.

BROMHOF :

Wow !! No incidents to report (that we are aware of).... This is fantastic and well done to everyone.

Please residents do not become complacent. Remain extra vigilant. Arm your alarms and especially your perimeters.... It all helps.

A branch fell on the electric fence of Shiante complex on tin Road on the 11 October.... and that is all we can report.
