HONEYDEW PRECINCT:

RANDPARKRIDGE RRVA:

1 House Breaking, 1 House Robbery, 1 Theft of motor vehicle

Streets that were affected by crime in Randparkridge :

Randpark Drive x 1, Swarthaak Str, Naboom Str

The motor vehicle theft – this vehicle was later recovered by tracker in Bosmont.

Residents, please your crime stats are low 😊 HOWEVER please do not become complacent. Remain vigilant ALWAYS. Join your local residents Whats App Group

RPRCPA :

1 House Robbery

The Street that was affected by this crime was Karee Street.

Other than those residents your suburb is really quite 😊. Once again, the communication and networking between the residents and the security companies is really working. So keep that going!!!

Also remain vigilant always especially as we all know we are getting to silly shopping season again and the criminals are waiting for careless opportunities.

COMPLEXES:

All the complexes have had a crime free month 😊. Nothing has been reported.

WELTEVREDENPARK: (Welridge & Riverwel)

1 theft out of Motor Vehicle 1 Theft of motor vehicle 1 Medical Emergency, 3 house breakings, 1 break in into garage on property, 3 attempted house breakings.

Streets that were affected by the crime :

Wonderboom x 2 , Hyacinth x 1, Rooihout x 1, Dolfhout x 1, Wildebraam x 1, Pepperboom x 1 , Veebos x 1 , Mispel x 1, Bauhinia,

With regards to the Theft out of Motor Vehicle. The vehicle was parked in the garage but left unlocked ☹

There was a medical emergency in Hyacinth where a lady was trapped under a vehicle. ER24 was called and a chopper landed and streets were cornered off.

SUCCESS STORY: A suspect, suspected of housebreaking was caught jumping into a property and whilst trying to run away was caught and arrested.

3 attempted housebreakings is also a success in itself ☺..... Well done residents. The suspects come in thinking they can take your belongings but you guys have realized that setting your alarms and perimeter security helps and they are triggered and the suspects flee from the scene..

SONNEGLANS :

1 Break in and that again was in The Reeds.

Unfortunately the suspects broke into the complex via breaking the palisade and the electric fence (on their way out to escape being caught). The suspects 3 of them broke into a unit, broke the burglar proofing of a window and gained access. Unfortunately the new tenant (a lady) held at gunpoint and stole quite few items.

Needless to say The Reeds together with their trustees / managing agents and residents in the complex, have taken another step in making the complex safer.

BROMHOF :

2 armed robberies ☹. One in Bromvoel Crescent and the other in Kingfisher Street (Off Kelly).

1 Medical emergency in Kingfisher

Please note, that the incident in Bromveoel Crescent, the resident came home to drop stuff off, left the garage door open and the 3 B/M came into the house. PLEASE, PLEASE and PLEASE again..... Close your garage doors, make sure your driveway gates close behind you be extra vigilant especially now that we are approaching the silly shopping season. This is very sad and especially as the resident has recently moved in and I have to say there have been numerous occasions that I have driven in this little area and had to ask residents to close their gates, move cars inside the garden, lock up cars.

The incident in Kingfisher - the resident was home and front door was open so the suspects decided to go in and not good ☹

All these incidents there were no alarms on the houses that were armed, or perimeters secured by beams or electric fence....

LINDEN PRECINCT:

MALANSHOF, MORET, FONTAINBLEAU, RUITERHOF

2 Attempted house breakings. (Carl Street & Annie Street) 1 Theft of motor vehicle (Martha Road North) 1 Robbery (Gertrude Str) 1 Driveway Robbery (Kokkewiet Str) 1 BAT Robbery at the Caltex on the corner of Hans Schoeman (Opp the SPAR) 2 Street Robbery (Troupant & Gertrude & Jan K Marais)
