**CRIME RELATED** – The early morning opportunists are still jumping between properties in the early hours and helping themselves to articles through open windows and the like. Remember to arm your security at night and be alerted to barking dogs.

These early morning intruders are arrogant and if you don't have any perimeter security (Electric fencing and/or Beams) they will still break a windows burglar proofing and if the house Alarm activates steal a TV and anything else they can get their hands on while they run out of the house.

Please remember the water shortages and abide by the rules related to this.

Have a Safe month.

Successes: The vehicle that was stolen in Asgaai was taken by the suspects to be stripped. They were spotted by a domestic who informed the owner and dealt with it in his own way 😊. CSS was called and the vehicle was recovered and police were called.

A Green Uno was stolen from outside the High School. CSS was given the lookout for the vehicle that was stolen and for the one that was involved. The suspect's vehicle was spotted at the top of Randpark Drive and a chase ensued by all the CSS vehicles.
